Faculty Academic Excellence Awards

The SRJC 100th Anniversary Campaign has provided \$38,000 over two years for **Faculty Academic Excellence Awards**. This year, 16 full-time faculty members received awards ranging from \$500 to \$1,500. The awards are given for the purpose of continuing education and research opportunities for faculty that will, in turn, enhance the educational experience for our students. Academic Affairs and the Academic Senate collaborated to review and select award recipients.

An award reception was held in the Robert F. Agrella Art Gallery on November 20.
