## *Luther Burbank Auditorium Endowment*

Donors to the Luther Burbank Auditorium Endowment play a vital role in SRJC's efforts to support students in the performing arts as they work to achieve their educational and career goals. A gift to the endowment helps establish the financial foundation that expands and enhances the resources available to students in Theatre Arts, Summer Repertory Theatre, Music and Dance, including students completing their General Education requirements for transfer. The modernization of Luther Burbank Auditorium will allow for the expansion of production capabilities, which will provide students with experiences that are competitive with the professional world and opportunities to build their portfolios for career success.

Generous endowment contributions will be used as follows:

- Attract and retain prospective and current students
- Sponsor SRJC performance events (i.e. plays, musicals, dance, and instrumental and vocal performances) as well as special guest artists
- Purchase equipment and technology to enhance performance quality and capabilities
- Promote training for students pursuing Career Certificates, Associates Degrees and Degrees for Transfer
- Offset performance rights fees and rising costs for necessary instructional supplies
- Allow the department to continue providing affordable tickets for community schools, organizations and associations so that all have access to extraordinary performances and artistic and cultural enrichment

For more information about donating to the Luther Burbank Auditorium Endowment and associated naming opportunities, please contact:
