Please see the following pages for thank you notes from students.

Thank you for helping us to elevate our community to new heights through the power of philanthropy and the promise of higher education.

Dear Scholarship Donor of SRJC.

I'm writing to express my heartfelt gratitude for your generosity and support. It is truly an honor to receive your scholarship, and I feel incredibly privileged to have your help as I pursue my education.

Coming from a country where such opportunities are rare, I cannot fully convey how much this means to me. Your contributions not only empower me to better myself but also uplift my family, providing us with hope and a brighter future.

Your generosity is transforming lives and fostering leadership within our communities. From the bottom of my heart, and on behalf of all who couldn't be here today, thank you for believing in us and for making a difference.

Greetings Gracious Donor,

Thank you so much for your support. My name is Christa Torre and I am in my 3rd of 4 semesters of the BRJC Nursing Program. Your support has allowed me to breathe since I have to work 3 jobs to be able to maintain my financial demands. Not only do you provide financial relief, but you have invested into my future. You represent a belief in me and my success, my potential. When I start to doubt, I remember there is somebody else who believes in me enough to invest in my future. **THANK YOU!!**

Thank
you!!
